MAYOR PINGREE BOURBON RED LABEL BATCH SERIES

We honor the enduring spirit of 'Old Ping' with a bourbon for the people. Mayor Hazen S. Pingree (1890-1897), was a champion for Detroiters and enemy of monopoly and corruption. Our bold Red Label Bourbon matches his audacity, combining sweet corn, spicy rye, and subtle malt for a well-rounded character that showcases the artistry of its aging process. Layers of flavors unfurl with each sip, appealing to both seasoned bourbon enthusiasts and newcomers alike. Each expression has a unique flavor profile, bottling strength, and alphabetical batch name.

HOW IT'S MADE

Mayor Pingree Red Label Bourbon is an age-stated, non-chill filtered blend of our choicest bourbon casks. The Red Label offers one of the highest-end straight bourbons produced by a craft distillery in the U.S. Exceptional barrels of our own Ferndale, MI triple pot-distilled bourbon meet the finest Lawrenceburg, IN traditional column-distilled bourbon casks to create a spirit with a silky, satisfying mouthfeel, intense fruit notes, and dramatic flavors that vary slightly from batch to batch.

TASTING NOTES

The aroma varies slightly in accordance with the series, but often reveals notes of vanilla, toffee, oak, and nutmeg. Silky and well-balanced on the palate, with a rich sweetness that lingers on the tongue. Flavors of caramel, chocolate, coffee, and a hint of smoke are common. The finish is warm and pleasant, and the aftertaste is sweet and slightly nutty.

“This is truly a collector’s series. Each alphabetical batch is unique in profile but equal in quality. I hope you enjoy Pingree Red as much as I do.”
